

# CUSTOMER DOG LICENSE REFUSAL FORM

Dog service providers are required to verify whether a dog is currently licensed with the City, and if not, to collect a license application and fee from the customer. Under Section 10-103 of The Philadelphia Code, all dogs 4 months and older must be licensed in Philadelphia. You must purchase a license within 30 days of obtaining a dog over the age of 4 months or within 30 days of establishing residence in the City of Philadelphia. Owners that refuse must sign this notice of the City's licensing requirements. The form will be sent to the city's licensing agent, Animal Care and Control Team of Philadelphia (ACCT Philly).
